

13 December 2018

Jane Loney  
Executive Director  
MASS  
19-20 St Augustines Parade  
Bristol  
BS1 4UL

Dear Jane,

**Thank you for your support!**

On behalf of us all at the Child Brain Injury Trust, I would like to say a massive thank you to the whole team at MASS for your most generous gift of £9192.02 following the official charity partnership in 2018. We are hugely grateful for this donation which comes at a really crucial time for the charity as we look to develop our service in new hospitals and regions. Of course, as well as the new work, funding for our existing work is also under great pressure and this donation will be used to support our core services across the country providing one to one, specialist support to children and their families when brain injury strikes. Needless to say, we would love to send you updates on our projects and latest developments as they happen across the year so that you can update the members.

We need your support more than ever to provide the much needed lifeline that only the Child Brain Injury Trust can offer when a child's brain is suddenly injured. Due to fantastic advances in medical treatment, more and more children are surviving brain injury but this also means that our charity's services are under far greater pressure.

The Child Brain Injury Trust is the **only UK charity** to provide long-term, non-clinical support to any child with an acquired brain injury from the moment of injury in hospital, right up until they turn 24. Your support will enable us to continue our existing services for brain injured children and help us launch new services to reach more people such as the expansion of our Child and Family Support Services, online learning for teenagers going through important life transitions, and brain injury preventative training programmes aimed at nurseries and early years care providers.

Thank you for your most generous donation and of course, for all of the hard work that went into raising the money throughout the year and of course at the annual conference and dinner back in October. I know how hard the whole team worked for this and we are so very grateful – this is a truly tremendous donation.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Parsons'.
