Information and booking form

Now into our 30th year, MASS has a robust reputation for delivering high quality conferences with an informative and up to the minute programme - and this year will be no exception!

The world has moved into a new era of virtual communication and interaction and we are looking forward to providing our first 'virtual' Conference through this exciting technology.

So make sure you join us this year and experience our high calibre conference from the comfort of your office.

Pricing structure

See over for details.
